GENERAL INFORMATION

TIMES--Saturday, March 20, 1976. Sale will start promptly at 12:30 p.m.

SHOW TIME--9:30 a.m.

LOCATION--The sale will be held in the Swift County Fairgrounds Pavilion, Appleton, Minnesota, located at the intersection of U.S. Highway 59 and Minnesota 40.

TERMS--The terms of this sale are cash unless other arrangements are made in advance with the consignor from whom you purchase and the sale manager is notified of the arrangements. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off.

GUARANTEE--All cattle sold in this sale will be sold under the Standard Guarantee recommended by the American Shorthorn Association.

LIABILITY--Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, clerk and sale manager have been employed by the seller for specific tasks not connected with the handling of the cattle or the condition of the premises and they accept no liability, legal or otherwise, for the buying contract or for any accident. Every effort will be provided for the safety for those attending this sale but the seller cannot accept liability for injuries that may occur. All persons attend this sale at their own risk.

Statements from the block will take precedence over information given in the catalog.

HEALTH--All cattle will be sold according to the health regulations of the State of Minnesota. Buyers must be aware of any variations between the laws of Minnesota and their own states. Interstate health certificates will be furnished.

CERTIFICATES OF REGISTRY--Certificates of registry with transfers entered and recorded in the buyer's name will be furnished for each lot sold and for every calf at foot. An application will be furnished for every calf carried in dam. Where footnotes appear in this catalog they were furnished by the seller or written from information supplied by the seller.

CANNONDALE ROMEO 4th - This bull is big, has good elevation, length of body, good feet and legs. Romeo 4th should put more pounds on your calf crop.

In the 1975 Bull Test Station at Lake Benton, we had a half brother to all the cattle consigned to the State Sale that had a A.D.G. of 2.86 and a yearling wt. of 1019. This year we have four bulls in the Test Station - average 205 day wt. was 554. We will have the 112 day gain at the sale.

LONE PINE LEADER 22B - This is surely a herd bull prospect. He looks a lot like his daddy did at a two-year old. He is the kind that can improve calves in any registered herd. If we did not have his daddy, this bull would be retained for herd bull duty in our own herd.

WESTON DEXTER - An outstanding bull that has good size, length, and is well-muscled. He is well-balanced and structurally sound. Full brother to our main herd bull, Weston Dandy. These are two great sons of Weston Romeo. Reason for selling is he doesn't fit into our breeding program. He will make an excellent improvement to the Shorthorn breed. This is one of the best bulls to be offered for sale this year.

CORONET TROUBADOR - A good sound heavy boned yearling from one of our best cows and sired by Coronet President x, an excellent polled four-year old that is siring the right kind for us.

The combination of Weston Surprise 14th "Doc" and our Milking Shorthorn background cows (we have been mixing milk and beef long enough to get rid of the extremes) has produced among others: reserve bull calf champ, Iowa 1973; champion female Iowa Royal 1975; first prize junior get, Minnesota 1975; and the heifer pictured above - Red Lily 47th, Iowa FFA Grand Champion. She was also Grand Champion at the Minnesota State Fair 1974.

HOMEDALE CORONITA F C J - This stylish roan heifer is a daughter of Hope 26th, the roan bull that sired the first place summer yearling bull at the Minnesota State Fair. She will develop into a top brood cow. Instead of breeding her for a winter calf, we left her open; and will furnish semen from any of our bulls to breed her. Calfhood vaccinated and TB and Bangs free herd.

WILDWOOD LOUISE - A grand daughter of the great Haumont bred Cherry L O K 69 2nd x (LOX) herd bull for the Troubador Herd. A very stylish looking roan heifer. Calfhood vaccinated.

STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. All animals cataloged have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- F. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- G. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.
- H. As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period.
